CALL FOR SPECIAL SESSIONS

The program for ICDECT 2021 will include Special Sessions that complement the regular program with new and emerging topics of interest to the Internet of Things, Block Chain Technology, Artificial Intelligence, Facial Recognition, Automation, Cognitive Technology, Advanced Wireless Communication Techniques, Advanced Biomedical Signal Processing Techniques, Virtual Reality and Augmented Reality, Data Science, Smart Grid, Advance Digital Technologies, Edge Computing, Robotics, Embedded Systems, Tactile Virtual Reality, Electric Vehicle Technology, Smart Grid, Renewable Energy Sources, Power System Protection, Power Electronics And Drive Control Technics and other aligned trusted areas in the field of Electronics, electrical, computer science, instrumentation community particularly those that are in line with the theme of the conference. The aim of a special session is to provide an overview of the state-of-the-art as well as to highlight current research directions and challenges.

Submission of Special Session Proposals

To submit a special session proposal, please prepare a document (PDF, plain text, or Word) with the following information and e-mail it to hod.ece@kitsw.ac.in.

Prior to submitting your special session proposal, please invite and confirm the participation of each participant and solicit a tentative title for each paper in the special session. If your proposal is accepted, your speakers will be required to submit the final papers to the workshop by the same deadline as that of the regular contributed papers.

Proposal Format

Please include the following information in the proposal:

- Organizer Information
- Names and Emails of all special session organizers
- Brief biographies of all special session organizers.

Session Information

- Tentative session title
- Summary of the special session topic
- Motivation for and rationale of the special session with a discussion of the key issues related to the special session, what makes the special session topic timely and state-of-the-art, and any special, unique, or distinctive features of the special session.

Invited Paper Information

For each invited paper in the special session, please provide:

- Tentative paper title and a short abstract
- List of authors

Additional Information

Please feel free to provide any additional information that you think may be helpful for the conference organizing committee to evaluate the special session proposal.

Important Dates

Special Session Proposals (on or before): **May 15, 2021**

Decisions for Special Sessions (on or before): **May 25, 2021**

Program Chair
Dr. B. Rama Devi,
Prof. & HoD, Dept. of ECE, KITSW

Conference Chair
Dr. K. Ashoka Reddy,
Principal, KITSW
