Vision:

Empowering women for change through intellectual, professional and social development.

Mission:

To empower women to acquire wide range of skills and knowledge, to develop and increase their social, economic and intellectual capacities for peace, security and prosperity of Society.

Objectives / Functions:

A woman is the SECOND CREATOR on earth. This is what the management and the faculty of KITS strongly believe in. The institution also believes that women are highly creative and rational and it is imperative to prepare them to participate in socio-economic activities. To empower the girl students to face the challenges of the society with confidence and courage a WOMEN CELL was started in the institution in 2008. The vision of the Women Cell is to educate and empower the girl students to fight for their constitutional rights for equity and justice. Its mission is to motivate the girl students to fulfill their responsibilities to build a harmonious society and help them realize the need for employability to uplift the weaker sections among them.

THE OBJECTIVES OF THE WOMEN CELL

- to help the girl students lead their lives with dignity and freedom
- to enhance self esteem among them
- to encourage them acquire self identity
- to motivate the girl students to become financially independent
- to inspire them to contribute their share to maintain balance in the society
- to make them responsible citizens of the country and make a strong nation

Besides providing concept oriented education, the institution is meticulous about the safety and security of the girl students. Hence the Women Cell works round the clock to provide tranquil ambience in the institution where the girls feel free to study and carry on with their activities. The Women Cell justifies its purpose by making the girl students realize the importance of maintaining the decorum in their attire (dress code). There is indefatigable strife to help the students build unflagging character where girls manifest courage for self defense. Educative programmes are organized by the Women Cell through extension lectures by experts to introduce them to illustrious and successful personalities to create an impact on their minds.

Women Cell organizes umpteen in-house interactive sessions by the experienced women faculty where girls give vent to their feeling regarding various health, physical and biological problems and learn how to protect themselves by taking precautionary measures. The interactive sessions are organized not only with students but also among women faculty to discuss the problems faced by women and how to enable them to prove their capabilities to tackle serious problems. Women Cell is concerned about the privacy matters. Special timings are allocated on every Saturday morning between 10:00 a.m. and 12:00 noon for girls who want to seek private audience with the members of the Cell to disclose their very confidential issues for solutions.

Every year various events are organized by the Women Cell to promote zeal and spirit among girls. In order to help them realize their creativity manifold activities are conducted like Rangoli, Painting, etc. which are amusing as well as educative for girls.

No. of activities conducted:

The main objectives of this event is to celebrate Women's day and enlighten the women on

- 1) Empowerment of women and motivate the girl students to face the society
- 2) Strengthen the women to perform challenging tasks
