## 42nd Graduation Day - Class of 2025

A prestigious gathering - legacy of excellence, future leaders

22nd November, 2025

The ceremony began with a majestic academic procession, followed by Jyothi Prajwalana and an invocation setting a solemn tone. The principal presented the annual report, highlighting institutional achievements. Inspiring messages from the Guest of Honour and an impactful Graduation Day Address by the Chief Guest motivated students to embrace their future with confidence and integrity. Gold medals and academic merit awards were presented to outstanding performers, celebrating their dedication and hard work. Degrees were formally conferred upon graduates, followed by the traditional pledge. The event concluded with the Vote of Thanks, National Anthem, and the outgoing Academic Procession, after which a fellowship lunch brought the celebrations to a warm close.

Jyothi Prajwalana by the dignitaries

Chief Guest

Prof. Bidyadhar Subudhi, Director, NITW

Guest of Honour

Prof. V. Ramchandram, Registrar, KU, Wgl

Members of Academic Procession

Institute Gold Medal Winner-M. Sanjana, B21AI003

## Activities @ Centre for i<sup>2</sup>RE

### ACADEMIC & INNOVATION PROGRAMS

#### Expert Talk Series by Industry Leaders

Centre for Innovation, Incubation, Research and Entrepreneurship (C-i<sup>2</sup>RE) successfully conducted multiple Expert Talk Series (ETS-1, Talks 4-10) featuring industry leaders, entrepreneurs, academicians, and policy experts. Sessions focused on entrepreneurship, innovation management, ethics, design thinking, startup funding, emerging technologies, and global career readiness, engaging students across all years.

11 Oct, 2025

Talk 4

**Ms. Ramya Madhavaram**  
Founder and CEO of R Work  
Title: Innovation for Engineers:  
Scope of Entrepreneurship

16 Oct, 2025

Talk 5

**Ms. Sahithi Divi**  
Sr. Consultant - Govt. of Andhra Pradesh,  
Tourism Dept., Forbes India 30 under 30  
Title: Innovation Management  
&  
Social Entrepreneurship

30 Oct, 2025

Talk 6

**Dr. Bhaskar Das**, Manager,  
Bioincubator, KIIT-TBI, KIIT University, BBSR  
Title: Designing Impactful Solutions:  
Navigating India's Innovation Landscape,  
Funding & Pitching Strategies

15 Nov, 2025

Talk 7

**Shri Nabeel Quadri**  
Design Lead at LVPEI Center for Innovation  
IIT - H & MIT ADT  
Title: Smart Engineering Tools for  
Modern Design & Development

28 Nov, 2025

Talk 8

**Shri Mantri Sai Naresh**,  
Cluster Development Expert  
(CDI-Development Advisory  
Division of Schoolnet India Ltd)  
Title: Investigate, Analyse, Solve: A Founder's Method

12 Dec, 2025

Talk 9

**Dr. Shilpa Didi**, Director  
Sadeha Foundation, Spiritual Orator of  
Purana & Itihas, Motivational Speaker  
Title: Value-Driven Engineer's Ethics in Action

19 Dec, 2025

Talk 10

**CA Giridhar Mamidi**, CA (FCA),  
Head of Finance & Accounts  
Google India, ADP India  
Title: Understanding the Emerging  
World for Today's Youth

## Social Impact & Flagship Initiatives

### MISSION TEJAS Pilot Program launched (Govt. of Telangana)

MISSION TEJAS (Telangana Jnana Avishkarna Sankalpam) is an initiative championed by the Government of Telangana, designed to empower government school students by introducing them to smart technologies and emerging skills. The program aims to ignite curiosity, build confidence, and nurture innovative mindsets among young learners, preparing them for a technology-driven future. The Kakatiya Institute of Technology & Science, Warangal (KITSW), in collaboration with C-i<sup>2</sup>RE, serves as the official implementing partner for this initiative. KITSW students act as student mentors, guiding and inspiring school students throughout the program. The pilot phase of MISSION TEJAS was officially inaugurated at C-i<sup>2</sup>RE, KITSW, marking a significant step towards fostering technological literacy and innovation among young learners.

## Activities @ Centre for i<sup>2</sup>RE

### The Battle Bots Workshop

17-18 Oct, 2025

Battle Bots Workshop Participants at C-i2RE

Focused on robotics, embedded systems, and mechanical design. The workshop, attracted enthusiastic participation from over 50 students across various engineering disciplines. Organized by : PCB Lab and DM Lab

### OG: Unfiltered - A Themed Field Activity

18 Oct, 2025

A Creative Photography & Expression Event

The event welcomed all photography and creative expression enthusiasts with the aim of promoting creativity, teamwork, and campus engagement.

Organized by : Public Relations & Outreach Club in collaboration with Women in STEM under SAIL and C-i<sup>2</sup>RE.

## Hands-On Workshops & Events

### Code, Innovate, Research (CIR Challenge)

18 Oct, 2025

Participants engaging in collaborative discussions during the CIR Challenge 2025

The event emphasized the core values of creativity, curiosity, and collaboration.

Organized : Centre for Innovation, Research & Entrepreneurship (i<sup>2</sup>RE) in collaboration with the Programming Club and the Innovation and Research Club.

### Corporate Clash: An Engaging Business Simulation Challenge

The Entrepreneurship Development Club, in collaboration with the Innovation and Business Club. Organized Corporate Clash.

### Innovation & Entrepreneurship

Young Innovator's Launchpad - Cohort - 4

The C-i<sup>2</sup>RE - Innovation, Research & Entrepreneurship at KITS Warangal is excited to announce the launch of the Young Innovators Launchpad - Pre-Incubation Program (Cohort 4)

Structured Pre Incubation & Mentorship Program & evaluation sessions for student & alumni startups

Session	Session Title
Session 1	Identifying Opportunities & Problem Mapping
Session 2	Building a Business Model (Case Studies)
Session 3	Product Development & Prototyping
Session 4	Marketing & Sales Strategies for Startups
Session 5	Funding & Financial Planning for Startups
Session 6	Pitch Preparation & Demo Day

### KITSW welcomes esteemed delegation to strengthen the innovation ecosystem

Kakatiya Institute of Technology & Science, Warangal (KITSW), had the privilege of hosting an esteemed delegation. The delegation included Dr. N. V. Ramana Rao, Hon'ble Director, National Institute of Technology Raipur; Er. A. Pullaiah Garu, Secretary - State Board of Technical Education and Training, Government of Telangana; Dr. Ashoka Reddy Komalla, Principal, KITSW; and the Members of the Governing Body of KITSW.

Prof. N.V. Ramana Rao, Director, NIT Raipur interacting with KITSW's innovative startups at the AICTE Idea Lab

During the visit, the dignitaries interacted with innovative startups, explored the state-of-the-art incubation laboratories and appreciated the initiatives of the KITSW Innovation Incubation Research and Entrepreneurship Foundation. Their insightful feedback and encouragement reinforced KITSW's commitment to fostering a robust startup and innovation ecosystem in Warangal and across Telangana.

## Activities @ Centre for i<sup>2</sup>RE

### KITSW Students Excel in National-Level Innovation Challenges

Students participated in the IIC Regional Meet held at GRIET on 5th November, presenting their innovative ideas to a distinguished panel.

#### 1. Student innovations selected for YUKTI Challenge 2025

The following students were selected under the YUKTI CHALLENGE 2025:

Kota Thanay Raj (ECE) - SmartWrite: Digitally Backed Handwriting on Paper  
Gurman Singh Bajaj (CSE) - Precision Force Measurement with Load Cell Sensors  
Jampala Manogna (CSE AI/ML) - Precision Farming in Hydroponics  
P. Abhinay Naik & S. Mokshith (ME) - PulseConnect  
P. Abhinay Naik & S. Mokshith (ME) - Agrishield

#### 2. AICTE Productization Fellowship (APF 2025) selections

Gadipelli Pranav (CSN) - Automatic Dispensing and Monitoring of Prescription Drugs to Prevent Abuse  
Anurag Reddy Vasireddy (ECE) - EcoHusk: Sustainable Tableware from Rice Husk Waste  
P. Abhinay Naik & S. Mokshith (ME) - PulseConnect  
P. Abhinay Naik & S. Mokshith (ME) - Agrishield

#### 3. Representation at IIC Regional Meet (South Zone) :

Students engaged in the IIC Regional Meet 2025 (South/SCRO Region), organized by Gokaraju Rangaraju Institute of Engineering and Technology (GRIET) on 5th November 2025. During the event, they presented their creative concepts to a distinguished panel of experts.

#### 4. Team Green Spaces Shortlisted for National-Level Hackathon

The following students have been shortlisted to participate in the prestigious **36-hour national-level hackathon** conducted by **CMR College of Engineering** on **9th and 10th January 2026**.

Roll Number	Name
B24EE007	Chirra Harshitha
B24EC028	Miyapuram Chandhana
B24EE058	Gudikandula Bhargavi
B24EE027	Dasari Alekhya
B24EE009	Jangam Prasanna Laxmi
B24EE020	Vangala Tejaswini

#### 5. Team 68 - Odoo x Amalthea Hackathon 2025

The following students participated in Odoo x Amalthea Hackathon 2025, a challenging 24-hour event held on 8th and 9th November 2025 at IIT Gandhinagar: The hackathon provided a competitive platform for participants to innovate, collaborate, and solve real-world problems using cutting-edge technologies. Their participation highlighted KITSW's commitment to fostering innovation and developing industry-ready skills among the students.

Ishrath Jasmine (B23CS150),  
Zainab Amreen (B23CS130),  
Laxmi Niroop Papani (B23CS149)  
Sharath Chandra ChanduPatla (B23CS148)

#### 6. Pranati Reddy Gudipati Shines at ZENITH 25 - The Cloud Voyage Hackathon

Pranati Reddy Gudipati, a proud member of the SAIL student team, played a key role in her team's victory at ZENITH 25-The Cloud Voyage, a prestigious two-day hackathon organized by the SCOPE CLUB at MLR Institute of Technology on December 19-20, 2025. She exhibited technical expertise and a creative approach to problem-solving, tackling practical issues and making a significant contribution to the team's achievement.

### Startups & Incubation Milestones

#### 1. MAAD IoT Solutions Pvt. Ltd. Secures Rs. 4 Lakhs Grant and DPIIT Recognition

Principal and Team - Together for Excellence

MAAD IoT Solutions Pvt. Ltd. has reached a major milestone by securing a grant of ₹4 lakhs from the National Institute of Agricultural Extension Management (MANAGE-CIA) under the RKVY-RAFTAAR Program to support the development of its innovative prototype. Further advancing its journey in the startup ecosystem, MAAD IoT Solutions has been officially recognized as a registered startup by the Department for Promotion of Industry and Internal Trade (DPIIT), Ministry of Commerce and Industry, Government of India. This recognition marks a pivotal step in the company's mission to drive innovation and create meaningful impact across agriculture, energy, and healthcare sectors.

#### 2. Smart Street Light System successfully beta-tested on campus by MAAD IoT Solutions at KITSW

MAAD IoT Solutions Pvt. Ltd. has successfully completed the beta testing of their **Smart Street Light System** on the KITSW campus, Block 4, following the initial alpha testing phase.

#### 3. Transforming ideas into market-ready success: A Student Led Startup

Sehavi Enterprise, one of our student-led startups, has successfully launched a new food product in the market. C<sup>2</sup>i<sup>2</sup>RE provided support in conducting market research and explaining effective packaging ideas. Since the launch, the product has received excellent customer feedback. This success story highlights the practical impact of our incubation support in transforming innovative ideas into market-ready solutions.

## Department's Pen **The Changing Frontier of Civil Engineering: Digital Innovations, Research, and Sustainability to Nation Building.**

**Prof. M. Srikanth**  
HoD, Civil Engg.

Civil Engineering is undergoing a profound transformation driven by digital technologies, data-centric approaches, and a strong commitment to sustainability. The discipline today extends far beyond conventional practices, embracing advanced tools that enhance efficiency, accuracy, and environmental responsibility in addressing challenges such as rapid urbanization and climate change.

Technologies such as Building Information Modelling (BIM), Digital Twins, and advanced 3D visualization have become integral across the project lifecycle, from planning and design to construction and asset management. In parallel, the application of Artificial Intelligence, Machine Learning, and computational analysis is increasingly evident in structural health monitoring, traffic engineering, geotechnical engineering, and water resources management, enabling informed and predictive decision-making.

Contemporary research emphasizes green materials, low-carbon construction techniques, smart infrastructure systems, and climate-resilient design. The integration of drones, LiDAR, Geographic Information Systems, and Internet of Things-based monitoring has significantly improved surveying accuracy, infrastructure safety, and maintenance efficiency.

Academic programs are aligning their curricula with these emerging trends through a strong computational foundation and specialized laboratory training. This alignment ensures that graduates are well equipped to apply modern tools in structural design, construction management, and sustainable infrastructure development.

These technological advances contribute directly to nation building by supporting smart cities, resilient transportation networks, efficient water resources management, and sustainable economic growth. Through continuous learning and innovation, civil engineering continues to play a pivotal role in shaping a technologically advanced and sustainable society.

Image showing high-quality 3D isometric visualization illustrating how LiDAR (Light Detection and Ranging) technology is used for aerial surveying and topographic mapping.

**The Future of BIM- Virtual Site Integration and Precision Engineering- Real-Time VR Visualization**

### Record-Breaking Success: Bags the Highest Package

**KITS Warangal**  
*Congratulates*

**SAI CHARAN KALVACHERLA**  
**CSE - 2027**  
**PLACED IN**

**VISA**

**Stipend**  
**90 K / month**  
**CTC**  
**35 LPA**

KITS Warangal student from the class of 2027 batch secured an offer in VISA Inc. with the package of 35 LPA (Internship stipend of 90K/Month)

## T&P Updates

1. KITS Warangal students from the class of 2026 batch secured offers in the top notch IT companies like Oracle / Verisk / AssetSense / Egen / Cognizant / Infosys / Northern Tools+ Equipment/RealPage/ HCL etc.
2. KITS Warangal students from the class of 2026 batch secured offers in the top notch Core companies like TechnipFMC/ Medha Servo Drives/ Ashoka Builders / Integer Telecom Services etc.
3. Achieved 40% placements as on date for the class of 2026 batch
4. 130 students from the class of 2026, 2027 & 2028 batches have achieved Google Cloud Computing Foundations Certification
5. 62 students from the class of 2026 and 2027 batches have achieved Salesforce Agentforce Specialist Certification
6. From the class of 2026 batch, 121 students certified on Java Full Stack and 3 students certified on DotNet Full Stack through Wipro TalentNext programme.

## Patent Granted

Title of Invention : "A System for Estimating Minimum Density of Material using an Aeration Process and Method thereof"  
Inventor(s) : Mr. B. Sai Laxman et al., Dept. of CE  
Patent Number : 570921  
Date of Grant : 19-09-2025  
Field /Domain : CE-Material Science  
Type of Patent : Indian Patent

## Expert Lecture Delivered - FDP

**Dr. D. Rakesh Chandra**, Assistant Professor, Department of EEE, delivered an invited lecture on "Optimization Techniques for Power Systems using Artificial Intelligence (AI)" during a One-Day Faculty Development Program (FDP) on "Application of AI to Power Systems," organized by Avanthi Group of Institutions, Visakhapatnam, December 06, 2025 (Virtual mode)

**Dr. V. Anand**, Assistant Professor, Dept. of M & H, delivered a guest talk (online) on "Differential Equations and their Applications". This FDP was organised by Dept. of Mathematics, Sri Guru Teg Bhahadur Khalsa College, PUNJAB, under the aegis of star DBT College Scheme, on 20th September 2025.

## Session Chaired

**Dr. Y. Bhavani**, Associate Professor, Department of Information Technology, chaired a session on "Real-Time Machine/Deep Learning System" at the 2nd International Conference on Recent Trends in Electrical, Electronics and Computing Technologies, 30-31 Oct, 2025.

## Academic Milestone Achieved

### Ph.D. Awarded

**Dr. Ch. Pavan Kumar**, Assistant Professor, Department of Electronics and Communication Engineering, has been awarded the Ph.D. degree in VLSI by Jawaharlal Nehru Technological University Hyderabad (JNTUH)  
Thesis Supervisor : **Prof. K. Sivani**, Dept. of ECIE, KITSW

**Dr. K. Shailaja**, Assistant Professor, Department of Electronics Communication and Instrumentation Engineering, has been awarded Ph.D. degree in Biomedical Signal Processing, KL University, Guntur.  
Thesis Supervisor : **Prof. J.R.K. Kumar Dabbakuti**, K.L. University.

# Departmental Updates

## Industry MoU Boosts Core Software Skills and Placements

KITSW, department of Civil engineering has signed a MOU with Mold Tech Technologies and Almaknack. The department is offering advanced training in core software competencies for students in Civil, mechanical, and electrical engineering, enabling them to excel and secure placements in leading core-sector companies

## Workshop on SOC

A Workshop on SOC (Security Operations Center) was conducted by the Department of CSN on 18th October 2025. The session was led by Mr. Ajinkya Lohakare, Founder and Chief Technology Officer (CTO) of Ditto Security. He is a renowned cybersecurity consultant, ethical hacker, AI strategist, and TEDx speaker with extensive industry experience.

Ajinkya Lohakare, Founder and chief technology officer (CTO), Ditto Security cyber security consultant

## Experiential Learning

The Practicum provides the students with an opportunity to apply foundational concepts through hands-on project work. By engaging in guided research, collaboration, and real-world problems solving, students develop essential skills in inquiry, communication and presentation. Practicum experience is a pathway that prepares students for more advanced academic and professional challenges ahead.

## Beyond the classroom - a holistic development: Highlights from SEA / SAA demonstrations

The Social Empowerment Activities/Self Accomplishment Activities (SEE/SAA) activity acts as a catalyst for students to go beyond the classroom by interacting with different eminent personalities and gaining insight into real-world challenges. By meeting professionals from different fields, students acquire practical knowledge and perspectives that go beyond textbook, thereby enriching their overall educational experience. Through this SEE/ SAA activity students bolster their confidence levels and learn to overcome their edginess of interacting with higher authorities in a poised and confident manner.

## Technical Fest Sumshodini-25 17<sup>th</sup> & 18<sup>th</sup> October 2025

Sumshodhini'25 Souvenir launch by Chief Guest Sri Phanidhar Sangam, Director - HR, Northern Tools & Equipments, along with Sri Devi Prasad garu, Rtd. Judge & Vice President EES, Sri V. Satish Kumar garu, Addl. Secretary EES.

Kakatiya Institute of Technology & Science, Warangal (KITSW), organized the annual Sumshodini-25 Students' Technical Fest on 17<sup>th</sup> & 18<sup>th</sup> October 2025, an exuberant celebration of creativity, intelligence, and teamwork. Blending academic brilliance and healthy competition, Sumshodini-25 featured a wide range of technical events-seminars, paper presentations, and technical games. Students from all departments participated with tremendous enthusiasm. The campus buzzed with bright minds and novel ideas, driving progress through innovation to build a brighter future.

# Student's Corner - SAC Activities

## Unity Day / awareness march

National Cadet Corps unit 1(T)CTR - "Unity Day"  
-awareness march on 31/10/2025

KITSW National Cadet Corps unit 1(T)CTR

## Open House Event

NCC UNIT 1(T)CTR actively participated in OPEN HOUSE EVENT organised by POLICE HEAD-QUARTERS, HNK on 28/10/2025

NCC

NCC Day Celebration was conducted with great enthusiasm on 23 November 2025 at KITSW to commemorate the formation and significant contributions of the National Cadet Corps. The event highlighted the unity, discipline, and patriotic spirit of NCC cadets through well-coordinated drills and organized formations. Cadets actively participated, reinforcing the core values of "Unity and Discipline." The celebration helped spread awareness about the role of NCC in nation-building and youth development. It encouraged students to imbibe leadership qualities and a sense of service towards society and the nation.

# Student's Corner - SAC Activities

## Tree Plantation

The Tree Plantation programme was organized at the KITS campus with the objective of promoting environmental awareness and sustainability. NCC cadets actively participated by planting saplings and learning the importance of ecological balance. The programme emphasized the role of youth in combating climate change and protecting natural resources.

## World AIDS Day

World AIDS Day was observed to spread awareness about HIV/AIDS, its prevention, and the importance of social responsibility. NCC cadets participated in awareness activities aimed at educating students and the community. The programme highlighted the need to eliminate stigma and discrimination associated with HIV/AIDS. It promoted healthy lifestyle choices and responsible behaviour among youth. The event played a significant role in sensitizing students about public health issues and community welfare.

## NSS Day Celebrations

NSS Day Celebrations

Pre-RDC Pre-Republic Day Camp, M. Sanjay has attended Pre-RDC at Gujarat from 31st October to 9th November.

Adventure Camp selections, 23rd October, 2025

Jan Jatiya Divas was observed on 15th November, 2025

The Adventure Camp was held from 18th to 27th November 2025

The Unity March was organized on 18th November, 2025

MyBharat Sports Tournament was organized on 20th December, 2025

# Sports Highlights

### A gesture that augurs well

**KITS alumnus donates Rs 2 cr for incubation centre**

HANS NEWS SERVICE  
WARANGAL

IN a gesture of gratitude towards the college where he had studied, the managing director of Vasantha Tools & Crafts Pvt Ltd, Hyderabad, Dayanand Reddy Anugu along with his wife Renuka donated Rs 2 crore for the Construction of an Alumni Building and Incubation Centre at KITS Warangal.

Speaking at the unveiling of the plaque here on Saturday, former Rajya Sabha Member Capt V Lakshminantha Rao appreciated Dayanand and other alumni who made contributions to the construction of the alumni building.

Contributions also poured in from the alumni members (1980-84) who gathered on the occasion of their Ruby Reunion. The others who made significant contribution for the alumni building are

Bheem Rao, former president of KITSWAA, Rs 2.5 lakh, and Suresh Reddy, managing director of Amrutha Tools & Crafts Pvt. Ltd. Rs 25 lakh.

Emphasising the importance of 'giving something back to the society,' Capt Rao said that the Alumni Building and Incubation Centre would help students learn and nurture their talent and entrepreneurship skills.

## KITSW Alumni Visit Alma Mater, Motivation to the Next Generation of Innovators

A few of our proud KITSW alumni, currently working at EY and the Government of Australia, recently visited our C-i<sup>2</sup>RE Incubation Centre.

Alumni from EY : the Australian Government Visit C-i<sup>2</sup>RE

During their visit, they interacted with several student startups and were inordinately impressed with our high-end labs and advanced additive manufacturing facilities. They expressed their appreciation for the state-of-the-art infrastructure available at C-i<sup>2</sup>RE and engaged meaningfully with the team, acknowledging the centre's vital role in fostering innovation and entrepreneurship among students.

## Alumnus Sri. Gorantla Manmohan Visits C-i<sup>2</sup>RE to Inspire Innovation

Our proud alumnus, Sri Gorantla Manmohan, Engineering Team Lead at Technip FMC, recently visited Ci<sup>2</sup>RE along with his team. He expressed his admiration for the remarkable growth of the incubation centre and the vibrant ecosystem it fosters. He was particularly impressed by the enthusiasm and creativity of the students, noting how the centre is becoming a thriving hub for ideation, product development, and technology-driven entrepreneurship. His visit served as a motivating experience for the students and faculty alike, reinforcing the importance of perseverance, innovation, and collaboration in shaping future industry leaders.

Sri Gorantla Manmohan with his team at Ci<sup>2</sup>RE

## Up-coming Events

- ⇒ February 2026 : Dept. of MBA - Awareness programme on "Cyber Securities"
- ⇒ February 2026 : Dept of MBA is signing and MoU with the ISTD Students Chapter, Represented by Madhan, A Prominent alumnus from Hyderabad.
- ⇒ January 2026 : Dept. of CSN - Guest Lecture by Pramod Kumar, Developer
- ⇒ February 2026 : Dept. of EEE - A One Day Industrial visit for all the faculty & staff
- ⇒ February 2026 : Dept. of Phy Edn. - An Invitational Inter-Collegiate Tournament, "KITS Trophy"
- ⇒ February 2026 : Dept. of MBA - Talk by Manager SBI on "Employment Opportunities for MBA graduates in banking sector".
