Under the aegis of WIE (SAG) IEEE KITSW Student Branch, the Department of Electronics and Communication Engineering of Kakatiya Institute of Technology & Science, Warangal is pleased to arrange a Guest Lecture on the topic '**Corporate world: Challenges & preparation for Engineering Graduates**' on 20/04/2018 in the premises of the New Seminar Hall(BIV-216), KITSW, duly inviting Ms.Jivan Kaur & Mr.Rohit Sengar ,Design Engineers, working for Service Now Inc., Hyderabad.

Faculty Adviser, WIE (SAG) IEEE and Associate Professor Mrs S.P. Girija has organized this Guest Lecture along with the Head, Department of ECE, KITSW Prof. G. Raghotham Reddy much to the benefit of the students.

Hon'ble Director, KITSW Dr Y. Manohar sir graced the occasion much to the success of the programme.

The Scholarly talk was delivered by Mr. Rohit Sengar and Ms. Jivan Kaur, Design Engineers from ServiceNow Inc, Hyderabad. They elucidated the reasons why technical degrees don't suit industrial needs and broached upon the various ways to fill the existing gaps. Their talk encouraged students to learn beyond college curriculum and to keep track of technologies used by industries. They suggested students to think out of the box and to look for innovative solutions. They instructed the students to utilize the corporate experience when they go for internships and to come out as a potential candidate to hire at the end. They enlightened that networking will open up opportunities and to build the persona not just resume. The organizers are in receipt of a record of excellent feedback on the constructive talk delivered.

The student Chairman of the college WIE (SAG) IEEE Ms Vaidehi; Student Secretary Ms Sumana; Student Vice-Secretary Ms Deepika; Student Treasurer Ms Sahaja have facilitated the programme playing their roles to the success of the talk. The proposal of *Vote of Thanks* has been performed by Ms Sindhuja a student of the college.
