1. The institute's 11th meeting of the Academic Council (AC) was conducted on 17.07.2025, from 2:30 PM to 4:30 PM at the Committee Hall, KITS, Warangal.
2. Three (03) external members and all Internal members were present physically. Four (04) external members attended virtually (online mode) through the GOOGLE MEET platform.
3. All AC members were present and offered their valuable suggestions.

Details of the AC 11th meeting

The AC meeting commenced at 2:30 AM and was presided over by **Dr.K Ashoka Reddy, Principal** and Chairman, AC. At the outset of the meeting, the Chairman extended a warm welcome to all internal and external members, acknowledging their presence and valuable contributions. He introduced the pre-circulated agenda items and sought the members' approval to proceed with the discussions. Key items on the agenda included a detailed overview of the Student Orientation Programme (SOP) and Student Induction Programme (SIP) conducted for the newly admitted B.Tech first-year students for the academic year 2024-25, various activities, and bridge courses conducted as a part of the SIP. The meeting also involved a review and ratification of the minutes from various Boards of Studies (BoS) meetings, which covered significant academic recommendations, curriculum updates, and policy decisions.

The Chairman, AC also highlighted the BFSI Minor Degree Programme being introduced in collaboration with the Banking, Financial Services and Insurance (BFSI) Consortium and the Telangana State Council for Higher Education (TGCH), Hyderabad, also emphasized on new undergraduate rules & regulations- 2024 (URR24) in line with NEP, the value added courses and scope of various types of open elective courses offered for benefit of students. The Chairman concluded the introduction by inviting comments and suggestions from members to ensure informed deliberations and effective outcomes.

- The Chairman invited **Prof. K. Venu Madhav, Dean of Academic Affairs**, to present the items listed on the agenda. In response, the Dean commenced the proceedings by outlining the key features and significant aspects of the newly introduced curriculum under the Undergraduate Rules and Regulations - 2024 (URR24). He further elaborated on the various components of the agenda,

providing detailed explanations and context for each item under discussion.

- The members of the Academic Council were informed about several key components introduced as part of URR24. These included the Multiple Entry Multiple Exit (MEME) option, Multidisciplinary Open Elective Courses (MOPEC), Social Empowerment Activities (SEA), and Self-Accomplishment Activities (SAA). Additionally, the Dean highlighted the inclusion of the Design Thinking course, Honours and Minor programmes offered alongside the regular B.Tech curriculum, especially the Minor Programmes under (i) Embedded Software Deep Skilling Programme (ESDSP) and the (ii) BFSI Minor programmes, aimed at enhancing students' domain-specific skills.
- Further more, the Council was briefed on the Faculty Upskilling Programmes (FUPs) by industry experts that were conducted during the summer break (May/June 2025) to support the continuous professional development of faculty members aimed at student development.
- The esteemed external members expressed their appreciation for the various academic and co-curricular initiatives being undertaken at Kakatiya Institute of Technology and Science, Warangal (KITSW). They commended the institution's efforts in enhancing the overall educational environment and fostering holistic student development. In addition to their commendation, the external members provided insightful feedback and constructive suggestions aimed at further strengthening the quality of the teaching-learning process.
- ❖ **Prof. P. Malla Reddy**, Professor in the Department of Mathematics at Kakatiya University, Warangal, *recommended encouraging students to pursue Minor Degrees in Basic Sciences*. He also advocated for the introduction of bridge courses in mathematics, computer science, English, and other fundamental science subjects to strengthen students' foundational knowledge. Additionally, emphasized the necessity of conducting root cause analysis (Pareto 20/80 chart) on the Student Satisfaction Survey (SSS), to identify and address underlying issues.
- ❖ **Prof. B. Venkatram Reddy**, Professor in the Department of Physics, Kakatiya University, Warangal, commended the academic atmosphere at KITSW and applauded the institution's efforts in promoting research-driven learning and practical exposure for students. *He appreciated the integration of innovative*

teaching practices and also advised increasing the hands-on component of learning.

- ❖ **Prof. S. Jyothi**, Professor in the Department of Chemistry, Kakatiya University, Warangal, appreciated the diverse student-centric initiatives implemented at KITSW, particularly in fostering interdisciplinary learning and holistic development. *She said such proactive academic planning will help a lot in shaping well-rounded engineering graduates.*
- ❖ **Dr. G. Madhusudhan Reddy**, an Outstanding Scientist and Former Director at DMRL, Hyderabad, *recommended promoting research focused on social challenges by organizing hackathons. He also suggested that the Design Thinking course will have a greater impact if offered at the first-year level than at 3rd year level to foster creative problem-solving skills, and also proposed the inclusion of core engineering topics as part of the Student Induction Programme (SIP).* He applauded various academic and training activities conducted for students and faculty members at the institute.
- ❖ **Dr. R. S. Prakash**, Professor of Mechanical Engineering at BITS Pilani, Hyderabad, *advised reducing the credit requirements, making less than the existing 18 credits for interdisciplinary courses within the minor degree framework to create a more student-friendly curriculum.* He further commended strengthening the ongoing efforts and focusing on educational innovation.
- ❖ **Dr. S. Sandhya**, Principal of KMC, Warangal, *acknowledged and appreciated the wide range of activities carried out at KITSW and extended her congratulations to the members of the Academic Council for their valuable contributions.*
- After deliberations, the academic council has resolved the following on the notified items on the agenda.
