Sub: Summer Internships for B.Tech (ECI) II/IV/VI Semester Students - Reg.

Ref: No. KITS/Acad/Circular/UG/2022/88; dated 07.05.2022

The students of B. Tech (ECI) II/IV/VI semester are informed that as part of the course **U18EI708 INTERNSHIP EVALUATION**, the 6-8 Weeks of mandatory internship evaluation shall be done in VII semester of study during the allotted slot in class work time table. It is mandatory for every student to appear for oral presentation (with PPT) & viva-voce, and submit the report in prescribed format to qualify for course evaluation.

The regular end semester examination for the A.Y. 2021-23 of B.Tech IV/VI/VIII semester will be conducted during 23.05.2022 to 02.06.2022 and the B.Tech III/V/VII semester classwork for A.Y. 2022 - 23 will commence on 08.08.2022 (Monday). Summer break of 09 weeks is available before the commencement of A.Y. 2022 - 23.

The students should utilize these 09 weeks summer break for completing the mandatory internships.

SEMESTER	INTERNSHIP PERIOD
B.Tech II semester students	Should plan for at least 02 weeks internship and maximum 06 weeks
B.Tech IV semester students	Should plan for at least 04 weeks internship and maximum 06 weeks
B.Tech VI semester students	Should plan for completing the balance internship period to satisfy the mandatory 6-8 weeks period

The students who have already completed 08 weeks are instructed to follow the guidelines for the preparation of Internship report and PPT are as specified below:

- (a) **Internship Report:** Each student is required to submit a well-documented internship report (both soft copy and softbound hard copy) as per format specified by DIEC. In case of completing the 6-8 weeks internship in more than one organization, the student shall be required to prepare separate softbound internship reports signed by the internship supervisor(s) along with the seal(s) of the organization(s). The student shall submit two final softbound internship reports along with a soft copy, keeping all the certificate(s) issued by the internship supervisor(s) and all the individual internship reports cleared by respective internship supervisor. The Chapter-1 of the final internship report shall clearly describe the following indicating overall summary.

- (i) **Internship(s) attended:** A table with name & address of organization, organization's vision and mission, internship weeks attended, internship period (exact dates attended), internship supervisor, head of the section and head of the organization
 - (ii) **Duties/tasks during internship(s):** Table describing name & address of organization, and the duties / tasks undertaken during internships. This indicates what opportunities and learning experiences the interns got to get hands-on experience on a wide range of KSQs of a professional engineer.
 - (iii) **Tangible outcomes of internship:** These are the lessons learnt from internship experience. The students have to describe in their own words what they learnt from the internship experience. The student has to describe what specific KSQs are acquired by him, with reference to the expected internship COs, after successful completion of internship(s). Finally, a table depicting systematic mapping of what they have learnt and the expected internship COs, is to be shown
 - (iv) **Student feedback on internship:** To gather information on whether internship was useful and gave practical experience on chosen field of interest, and other learning, a well-defined feedback questionnaire (made available by the dept) with closed and open questions shall be kept in the report.
 - (v) **Pictures at the worksite:** Student has to keep, in the report, his working pictures at the worksite, discussing with the internship supervisor, the creative project he is working on, or an event he is attending for work, group photo of the team/section/department he worked with.
- (c) **Presentation:** Each student should prepare PPT with informative slides and make an effective oral presentation before the DIEC as per the schedule notified by the department. The presentation shall compulsorily have slides on the points mentioned in (a)(i)-(v)
- (d) It is mandatory for every student to appear for oral presentation(with PPT) and viva-voce, to qualify for internship evaluation
- (e) A student shall register for supplementary examination for the internship evaluation in the following cases:
- (i) absent for oral presentation and viva-voce
 - (ii) fails to submit the internship report in prescribed format
 - (iii) fails to fulfill the requirements of internship evaluation as per specified guidelines

Initial scrutiny of the Laboratory Manual and Record Book (LMRB) was completed today (22.07.2022). In this connection, the scrutinizing committee suggested the following points.

1. Please make sure that the appropriate block diagram (or) circuit diagram is included.
2. Maintain the unique font, spacing, and justification.
3. Include the page borders with the page margins: left-31 pt, right-20 pt, top-10 pt, and bottom-10 pt.
4. In the footer section, mention the complete department name, such as the Department of Electronics and Communication Engineering.
5. Add the graph sheets wherever it is necessary.
6. Add an additional blank page after each experiment.
7. Take the required procedures to ensure that all the diagrams are clearly visible. Avoid copying circuits and equations from other sources.
8. In the manual section include a sample table with 1 or 2 rows only. Take necessary care while numbering the pages.
9. Before taking the final printout, the LMRB must be approved by HoD.
