Dear students,

Department of ECE in association with Techfluent Solutions Pvt. Ltd is going to conduct a work shop on "**Multisim for enhanced learning and teaching engineering electronics design and simulation**". The workshop ensures that the attendees or participants learn the following after completing the session:

- Get a thorough knowledge about NI Multisim and its prime Features.
- Will be able to design a schematic, run the simulation and perform various analysis.
- Will be able to understand breadboard circuit design and design breadboard prototypes.
- Brief knowledge on Interfacing NI Multisim with NI LabVIEW for further analysis and control design.

Date: 01-05-2021 (Saturday) Time: 1:30 PM onwards.
Through Microsoft teams ECEA teams

Register through the link: <https://forms.gle/5MBLPNXgNaZKnx789>

Note: All the students are instructed to fill the form & attend the workshop without fail.

Hello Amigos!!

Hope everyone is fine and doing well....

As the upcoming placement season is right around the corner, ECEA is here to help you sail through it. Placements drives are always a matter of great anticipation and bewilderment. To put your doubts at ease and to make you gain confidence to tackle your placements, ECEA brings to you an online interaction session "THE PLACEMENT TALKS".

From placement tricks and tips to interview reviews of various companies, our passing out seniors (2021 batch) are here to share their experiences and exemplary advices. You can put down all your doubts in the google form provided below which will be answered in the session.

Hello!

Hope everyone is safe and doing well.

We all think about what to pursue after completing our BTech and many students will encounter a situation where they are not able to decide their path. With many diverse options in front, we often get confused. So here we have ECE Association along with OHM Institute, Hyderabad with an online webinar "**Career Prospects after Btech & Gate Orientation**". The eminent speaker **K.N.S HEMANTH (Subject Expert of OHM, AIR 4 in IES, STATE 5th in AP Transco)** is going to address the students on the career opportunities after B.tech and also give valuable inputs on various courses they offer for Gate preparation to crack the goal set by you.

Date: 24th July,2021

Time: 5 pm

Platform: Zoom

Registration link to attend webinar:
