ATAL ONLINE FDP on AI-Driven Cybersecurity: Defense Strategies for the Digital Era

AI-Driven Cybersecurity: Defense Strategies for the Digital Era was conducted from 18th to 23rd Aug, 2025 in which 142 participants from different parts of the country participated.

Application No:	1747463869
FDP ID :	4825
Thrust Area:	Engineering and Management
Sub Area:	Cyber Physical Systems and Cyber Security
FDP Start Date:	18-08-2025
FDP End Date:	23-08-2025
Coordinator:	Dr.S.Venkatramulu
Co-Coordinator:	Mr.D.Ramesh

The speakers for the 6-day online FDP on “AI-Driven Cybersecurity: Defense Strategies for the Digital Era” were:

	<p>Dr. Rakesh Matam Associate Professor IIIT Guwahati. Completed PhD from Indian Institute of Technology Patna in March 2014. Previously, associated with Jaypee University and Syntel Inc. Research areas are IoT, Wireless Networks, Information and Network Security, Cloud and Fog computing.</p>
	<p>Dr. Koppala Guravaiah Assistant Professor Indian Institute of Information Technology Kottayam. Completed Ph. D. National Institute of Technology, Tiruchirappalli, Tamil Nadu, India, 2013-19. Got Appreciation for the project “ETL Tools & SQL Automation from on-prem technologies to Cloud” from Komhar Services, US During period Jan – August 2023. Research areas are SDN, IoT, WSN, NLP, ML & DL.</p>
	<p>Dr. Venkanna U. Associate Professor NIT Warangal. Obtained his Ph.D. from the National Institute of Technology Tiruchirappalli (NITT) in 2015. He held the position of Associate Professor at IIITDM Kurnool from August to November 2023, and served as an Assistant Professor at IIIT Naya Raipur from 2016 to 2023. With over 18 years of teaching and research experience, Dr. Venkanna has also held several key administrative roles.</p>
	<p>Bipul Kumar Shahi Trainer & AI Consultant Blackbuck company Bengaluru Expertise in Data Science, Data Visualization, ML, Neural Networks, NLP, Generative & Agentic AI, IoT, RPA</p>

	<p>Anupama Ganga Consultant/Delivery Manager – TCS IT professional with 25 years of extensive experience, including 23 years in the telecommunications industry. Proven expertise in E2E Delivery, Release Management, and Agile Scrum. Adept at leading complex IT programs in multi-vendor, multi-site environments, with a strong focus on project planning, risk management, and resource optimization. A certified Scrum Master and Product Owner with a track record of driving project delivery within time and cost parameters.</p>
	<p>Santhosh Pasula CEO Vivid Beacons, USA A visionary technology leader specializing in creating cutting-edge digital ecosystems through strategic cloud transformation and artificial intelligence integration. Excel in translating complex business challenges into innovative technological solutions that drive digital modernization, operational efficiency, and competitive advantage.</p>
	<p>Ajinkya Lohakare CTO Ditto Security. Josh Talk and TEDX Speaker, Ethical Hacker, AI Strategist. Since 2026, Ajinkya has been a paid consultant, public speaker and author. He does security consulting for fortune 500 companies and law enforcements, performs penetration testing and teaches social engineering classes to companies and government agencies.</p>

His areas of expertise include Oracle Data Guard, database performance tuning, and designing scalable database solutions. Had expertise in Security Tools Wireshark, Snort, Suricata, ELK Stack.</p>
	<p>Dr.S. Ravichandra Professor, Dept of CSE, NIT Warangal His research areas are ML in software engineering, Data privacy, Micro services. Head of center for digital infrastructure and services NITW. He handled research projects which includes Solving Discrete Logarithm Problem over $GF(2^n)$ using Function Field Sieve Method, Development of an Information Management System for Operationalizing Maternal Neonatal and Child Health (MNCH) in a CHNC Area, Software Prediction tool development for Schema Changes in Relational Databases.</p>

BROCHURE OF FDP:

AICTE TRAINING AND LEARNING (ATAL) ACADEMY

AICTE is committed for development of quality technical education in the country by initiating various schemes launched by Govt. of India, Ministry of Human Resource Development. Council understand that there is a need of the day to train the young generation in skill sector and having faculty & technicians to be trained in their respective disciplines. It was felt that Training with latest tools and technologies is vital to keeping an institute competitive and more productive. Training is required for increasing the knowledge and skills of students to make them more employable to acquire global competencies. It also transforms them to harmonize with society and most importantly to make them a good citizen of the country. Accordingly, it was decided to the opening of AICTE Training And- Learning - (ATAL) Academies.

About the institute:
Kakatiya Institute of Technology and Science, Warangal, is one of the premier engineering institutions in Telangana, over the years it has substantially grown in academic programmes, infrastructural facilities and attracted academicians of proven competence onto its faculty. It gained amongst academic circles as one of the premier technical institutes in this region and all the academic departments are accredited by the National Board of Accreditation (NBA), New Delhi. The Institute is accredited by NAAC (A Grade with CGPA 3.21 out of 4.0) for 5 years w.e.f 2.11.2018. NIRF (MHRD, Govt. of India) ranked KITSW among 180 rank top engineering institutions in India. Ranked as GOLD CATEGORY Institution for consecutive 4th year (2016, 2017, 2018 & 2019) by AICTE-CII Survey of Industry Linked Technical Institute. Offering quality technical education with a strong emphasis on research and innovation.

AICTE Training and Learning (ATAL) Academy Sponsored One Week online Faculty Development Program (FDP) on
“AI-Driven Cybersecurity: Defense Strategies for the Digital Era”
18-08-2025 to 23-08-2025

Organized by
Department of Computer Science and Engineering (Networks)

Kakatiya Institute of Technology and Science, Warangal
(AICTE Approved Institution) in association with
AICTE Training and Learning (ATAL)

Estd: 1980

MODE OF FDP: ONLINE
18-08-2025 to 23-08-2025

About the Department:

The Department of Computer Science and Engineering (Networks) is committed to excellence in teaching and research in areas of cybersecurity, AI, and advanced networking technologies.

It has a fine blend of renowned as well as Experienced and dynamic personalities as faculty, is involved in providing quality education at Undergraduate (UG) level. It has a broad based UG curriculum. The syllabi of the courses are continuously updated and the laboratories modernized to reflect the rapid changes in technology and Industries. It also offers high quality research through dedicated research laboratory.

The Department has strong Industry interaction and has been involved in development of state-of-art products for Industry. It has extensive laboratory facilities well equipped with high end configuration systems and servers, for carrying out industry sponsored consultancy projects.

Department has MoUs with reputed institutions and industries. Dept. has CISCO Center of Excellence which organizes several training programmes for faculty and students over latest concepts on networking and cybersecurity domains.

About the Programme:

This Faculty Development Programme (FDP) aims to provide in-depth knowledge and practical exposure in integrating Artificial Intelligence with Cybersecurity to address modern digital threats. Participants will gain insights into intrusion detection systems, malware analysis, adversarial AI, and secure system design using modern AI/ML techniques.

Topics to be covered:

1. Cybersecurity Threat Landscape and Attack Vectors
2. Machine Learning for Intrusion Detection
3. Deep Learning for Malware Classification
4. Adversarial Machine Learning and AI Security
5. AI for IoT and Cloud Security systems
6. Threat Intelligence using AI and NLP
7. Tools and Datasets for AI-Driven Security Analysis

RESOURCE PERSONS:

The sessions will be handled by the experts on the subject from industry and other reputed institutions (NITs/IIITs).

WHO CAN ATTEND?

The faculty members of the AICTE approved institutions, Research scholars, PG Scholars, participants from Government, Industry (Bureaucrats / Technicians /Participants from Industry etc.)

REGISTRATION FEE:

No fees will be charged from faculty working in AICTE approved institutions.

SELECTION PROCESS:

Minimum 100 participants are allowed to attend online FDP and the selection will be based on a First Come – First Serve basis.
