CENTRE FOR INNOVATION, INCUBATION, RESEARCH & ENTREPRENEURSHIP (C-i²RE)

UN-17 : Sustainable Development Goals (SDGs)

2 ZERO HUNGER

SDG 2 – Zero Hunger

C-i²RE supports sustainable farming through innovations in agricultural equipment and support systems. By nurturing agri-tech ventures, we contribute to improved productivity, resource efficiency, and resilient farming practices that address hunger and sustainability challenges.

3 GOOD HEALTH AND WELL-BEING

SDG 3 – Good Health and Well-Being

C-i²RE incubates healthcare ventures that develop accessible technologies for diagnostics, treatment, and wellness. These initiatives improve quality of life and strengthen community well-being through innovation and research.

4 QUALITY EDUCATION

SDG 4 – Quality Education

C-i²RE nurtures inclusive education by integrating research, innovation, and entrepreneurship into the academic ecosystem. Through six student clubs (Innovation & Research, Incubation & Business, Women in STEM, Public Relations & Outreach, E-Cell, and Programming), we provide platforms for interdisciplinary interaction, exposure visits, expert talks, alumni and entrepreneur engagements, hackathons, and ideation challenges. These initiatives foster creativity, inquiry, and lifelong learning.

8 DECENT WORK AND ECONOMIC GROWTH

SDG 8 – Decent Work and Economic Growth

C-i²RE encourages entrepreneurship and incubation, creating pathways for startups and MSMEs to thrive. We enable students to transform ideas into ventures, generating employment opportunities and contributing to sustainable economic growth.

9 INDUSTRY, INNOVATION AND INFRASTRUCTURE

SDG 9 – Industry, Innovation, and Infrastructure

C-i²RE strengthens innovation capacity by building resilient research infrastructure and promoting sustainable practices. Through frameworks such as the AICTE IDEA Lab, MSME incubation, E-Cell, and IIC, we empower students and faculty to design solutions that advance industry and society.

17 PARTNERSHIPS FOR THE GOALS

SDG 17 – Partnerships for the Goals

C-i²RE builds strategic collaborations with industry, incubation centres such as WeHub, government, and other stakeholders. These partnerships ensure that research outcomes are applied in practice, fostering shared knowledge and collective progress toward sustainable development.

We are committed to sensitizing the faculty, staff & students to the United Nations SDGs

C-i²RE at KITSW advances the UN Sustainable Development Goals by nurturing inclusive education (SDG 4), encouraging innovation and entrepreneurship for economic growth (SDG 8), strengthening research infrastructure (SDG 9), and building strategic partnerships (SDG 17). With student-driven ventures in agriculture and healthcare, we contribute to sustainable farming (SDG 2) and improved well-being (SDG 3). Together, we enable transformative solutions that empower communities and shape a sustainable future.

C-i²RE Vision : To be a dynamic hub of innovation, incubation, research, and entrepreneurship at KITSW, driving transformative advancements, cultivating a culture of excellence, and contributing to societal progress.
