## e-WASTE MANAGEMENT POLICY

### 1. Introduction:

The Kakatiya Institute of Technology and Science, Warangal (KITSW) acknowledges the environmental and health hazards associated with electronic waste (e-waste) and is committed to managing it responsibly. This policy outlines our approach to e-waste management to minimize its adverse impacts on the environment and human health.

### 2. Objectives:

- To comply with applicable laws and regulations related to e-waste management.
- To minimize the generation of e-waste through sustainable procurement practices
- To promote the re-use, recycling, and proper disposal of e-waste.
- To raise awareness among students, faculty, staff and the wider community about the e-waste management.

### 3. Responsibilities:

The Management of KITSW is responsible for implementing and overseeing the e-waste management program. They will ensure adequate resources and support for the effective implementation of this policy.

#### Procurement:

The procurement department will prioritize the purchase of electronic equipment that meets environmental standards and has a longer lifespan. They will consider factors such as energy efficiency, recyclability, and the availability of take-back programs when procuring electronic goods.

#### Users:

All faculty, staff and students are responsible for the proper use, storage, and disposal of electronic equipment. They are encouraged to participate in e-waste recycling programs and report any malfunctioning or absolute electronic devices for proper disposal.

Hanamkonda, Warangal-506015, (TS)

#### 4. E-Waste collection and Recycling:

KITS, Warangal will establish designated collection point(Stores) in the campus for the safe disposal of e-waste. E-waste collected will be sent to authorized recycling facilities for proper dismantling, recycling, and disposal. The Institute will collaborate with e-waste recyclers to ensure compliance with environmental standards and regulations.

#### 5. Awareness and Training:

KITS, Warangal will conduct regular awareness campaigns, workshops and training sessions to educate stakeholders about the importance of e-waste management. Information about e-waste management practices and procedures will be disseminated through various communication channels, including posters, emails and seminars.

#### 6. Compliance and Review:

The Administration will periodically review and update this policy to ensure its effectiveness and compliance with changing regulations and best practices. Non-compliance with this policy may result in disciplinary action in accordance with institute rules and regulations.

#### 7. Conclusion:

KITS, Warangal is committed to promoting sustainable practices and minimizing its environmental footprint. Through effective e-waste management, we aim to contribute to a cleaner and healthier environment for present and future generations.

In order to comply with the Telangana e-waste management policy 2017 for addressing the problem of e-waste the following committee is constituted.

#### e-waste management committee

Sl.No.	Name of the Faculty	Designation
1	Registrar	Chairman
2	Dean Planning & Execution	Member Secretary
