WES/World Education Services: Electronic Delivery of Documents

The Examination Branch introduced WES (Digital Transmission Option: Secure File Transfer Protocol - SFTP) which can easily transfer academic documents using SFTP.

- This digital option replaces postal mail/courier mail.
- The same academic documents that were sent in sealed envelopes can now be sent via secure file transfer digitally.
- SFTP is a secure server-to-server file transfer between WES and Institution
- The transfer is encrypted and the content can't be read while it is being transmitted
- **This process can be used for both WES US and WES Canada.**
- WES will set up an account for your institution, associated with an e-mail address.
- There are different SFTP platforms – WES uses Quatrix.

2. PARENT-CENTRIC REFORMS:

- i) Examination portal to access all examination information.
- ii) To register, pay online and view the results.
- iii) Instant Online fee payment receipt is being provided after successful fee payment for regular/supplementary examination and reevaluation.
- iv) During parents visit / interaction, quick updated consolidated grade sheets information, up to the current semester is being provided.
- v) Examination Branch communicating information to parents regarding absent of their ward to the examination, if any, through SMS. Also communicating about the status of applications like PC, CGS, Name correction, Transcripts, CGPA to Percentage conversion certificate and information regarding fee notifications, examination schedules and publication of results.

The BoS Chair persons are requested to give necessary instructions to the Course teachers for setting the question papers. The question paper must indicate the distribution of marks and names of the paper setters, as per the specified MSE question paper template (Soft copy available with HOD). The required number of copies (about 10 more than the number of students appearing for the examination in the course) are to be taken and bundled in folded packets as per the design available with operator. The required extra material for students like drawing sheets / graph sheets etc., is to be clearly mentioned by the examiner on the cover containing question papers. The sealed covers are to be handed over to Controller of Examinations OR Addl. Controller of Examinations. There should be a common paper for common Courses to all sections. The Paper Setter/Examiner has to receive the answer scripts from the Examination Branch for valuation, immediately after completion of the examination. The valued answer scripts should be returned within one week from the date of examination after posting of marks in College Management Software (CMS) to enable consolidation work.

Note: All the faculty members are requested: 1. To prepare the question paper as per the Handout on Table of Specifications (ToS) issued by the Principal on 11.03.2019
2. to strictly adhere to the dates mentioned 3. to use soft copy of template for question paper setting.
