### **Words from the Faculty in-charge:**

To be the In-charge of Literary Club is my honour and pride. The ambition of Literary Club is to help the students discover the broad light in them in which they enjoy the aesthetic beauty of life in the midst of science and technology. Hence its objective is to make the students feel the essence of knowledge and the joy it proffers to them. This provides a substantial and unflagging foundation to students to liberate their thoughts in the process of exploring the world beyond technology. The club offers students opportunities to enhance their creative and well as communication skills through manifold activities like KITS MUN, Dumb Charades, Drop box, Harry Potter Quiz, Weekly Wonders. Online Writing Competition, Swami Vivekananda Events, Poetry Reciting Competition.

I have invariably enjoyed the position as I have acquired assiduous members who have a burning desire to mellow the character of people by setting themselves as exemplary beings. The activities of the club are out and out based on "Inspiration for Aspiration." Every member of the club possesses an amazing skill to motivate the students of the institute to exhibit their hidden talents and to help them to challenge the challenges with their potential. The General Secretary and the Joint Secretaries of the club are the true strength of it. With their innovative ideas and vigorous participation of the Executive Members the club has been organizing umpteen events which are, beyond the question, worth preserving. On the whole the club strives hard to achieve its objective of orientating the students towards goals and to help them travel to their destination by obviating all impediments with vigor and fervor. I thank every member of the club for extending their full cooperation to me to highlight the purpose of the club. I am proud to assert that the club labors to bring realization among students that KNOWLEDGE IS POWER.
