Rao, Associate Dean (Student Affairs), and Dr. V. Chandra Shekhar Rao, NSS Program

Officer-KITSW, have addressed the gathering and the explained the importance of NSS

in the

society and importance and vision of Swachh Bharath mission for clean and green India. The campaign started with an awareness session on NSS formation, its mission and vision in serving the nation, and the role of a student in serving society with their volunteer service. The volunteers having awareness of the NSS, with great enthusiasm started the campaign to collect dust and plastic on campus. NSS Volunteers were

divided into teams to cover the entire

institution with no corners left unvisited.

NSS Volunteers in front of Block-IV promoting Swachh Bharat

The volunteers have collected waste ranging from wrappers to plastic bottles which are thrown irresponsibly on the campus. Also, the volunteers have created awareness among other students in the institution by showing the cause and need for cleanliness and serene surroundings. The dust was then collected in biodegradable garbage bags and was safely disposed.

Volunteers collecting waste and cleaning campus surroundings

The volunteers gathered and cleaned the surroundings of the SAC block and watered the plants.

Dr. G. Raghotham Reddy, Dean (Student Affairs), Dr. M. Narsimha Rao, Associate Dean (Student Affairs), and Dr. V. Chandra Shekhar Rao, NSS Program Officer, have planted saplings in front of the SAC block and watered them, promoting greenery in the campus.

The national cancer awareness day was first announced by the Indian Union Minister for Health and Family Welfare Dr. Harsh Vardhan to be held on 7th November every year. This was to commemorate the birth anniversary on Madam Curie who discovered polonium and radium which help in fighting cancer.

The NSS unit of KITSW have organized rally on cancer awareness day on 06/11/2021 (Saturday) at 12.00 p.m. on the occasion of cancer awareness day to create awareness of cancer and

spreading message to help cancer patients people to fight cancer.

Dr. Ashoka reddy, Principal KITSW speaking about cancer with faculty and students

Respected principal Dr. K. Ashoka reddy sir has spoken about the importance of cancer awareness and its necessity in society. He spoke about the ever-changing food habits of people who were unhealthy and stressed the point of the holistic approach towards food and consuming foods with all nutrients required for the body instead of junk foods. Daily exercise, yoga, meditation, and a balanced diet and healthy lifestyle are the key points spoken by the principal whose words gave wisdom to the volunteers. Our Principal appreciated V. Chandrashekar Rao, the NSS program officer, and NSS volunteers for conducting such rallies to create awareness among the students and society. Dr. G. Ragothamreddy sir, Dean Student Affairs, M. Narsimha Rao sir, Assoc. Dean student affairs have also shared their views and knowledge with the students about fighting cancer and helping cancer

patients to fight cancer.

Survey in the Village:

After the inaugural of the camp, with the motivation and encouragement given by the dignitaries, the team has started the field survey to collect the data of the villagers. The objective of the survey is to interact with the village people, collect information about the household, and identify the problems and facilities provided in the village.

Volunteers surveying the house holds in the village

The volunteers were split into a pair and certain parts of the village was allocated to them in order to make the survey quick and efficient. The volunteers visited every house in the village and interacted with the people. The people of the village responded actively and supported the survey.

After the completion of the survey in the village, the problems mainly found out were lack of awareness on plastic usage, hygiene and ailments like diabetes, blood pressure, cancer etc. After the survey and identification of the problems, the activities to be performed have been planned for the coming days.

Day-2:

The objective of the second day of the camp 31/03/2022 (Thursday) is to further interact with the people of the village especially to create awareness on the health and hygiene. Every Volunteer has visited the household and educated the village people on how to maintain hygiene and avoiding addiction of alcohol, cigarettes which will lead to cancer and other diseases.

Especially the volunteers raised awareness in the women about hygiene and precautions to take during their menstruation period. They also educated to use sanitary pads and their benefits to the girls and women of the village. The people have been supportive and promised to implement and follow the suggestions given by the volunteers.

The day followed by the skit performance by the volunteers with a theme on alcohol addiction and women empowerment. The skit raised the awareness about the dangerous effects of alcohol and how it impacts the financial situation, mental health of the children in the family. The village people have seen the skit with great interest and appreciated for our efforts to create awareness.

Day-3:

The objective of day-3 of the 7-Day special camp on 01/04/2022 (Friday) is to create awareness on usage of plastic and its impact on the environment of the village. The plastic items have reached to an extent where it became a problem to the nature by polluting the soil and water. Hence, a rally has been organized to create awareness to reduce, reuse and recycle the plastic.

Rally on plastic Awareness in the village

The day started with designing and making of placards with beautiful quotations and pictures. The placards have been designed with simple quotes and eye-catching diagrams which will clearly show our objective of the rally i.e. to reduce the plastic usage. Also the placards are made from bio-degradable materials like paper, cardboards and wood which won't impact the

environment.

Day-5:

The volunteers with great enthusiasm started the Swacchh Bharat program to collect dust and plastic in the village. NSS Volunteers were divided into teams to cover the entire village with no corners left unvisited.

NSS Volunteers cleaning the streets of village

The volunteers have collected waste ranging from wrappers to plastic bottles which are thrown irresponsibly in the campus. Also the volunteers have created awareness among the people in the village by showing the cause and need for cleanliness and serene surroundings.

The dust was then collected in biodegradable garbage bags and are safely disposed.

Day-6:

The objective of the Day-6, 06/04/2022(Monday) is School Cleaning Programme to clean the Government school which has been ignored from a long time. The facilities in the school are good but are not used due to lack of maintenance. So in order to avail the resources in the school, volunteers started cleaning the school.

School Cleaning Programme on Day 6

The volunteers cleaned the dry leaves, dust spread everywhere in the school compound and the all the rooms are cleaned and sanitized. The trees and plants in the village are cleaned and watered.

The facilities like water cans, taps had minor repairs and are repaired for proper usage. At the end of the day, the school is clean, functional and the facilities are made available to the students.

Day-7:

The final day of the camp 05/04/2022 (Tuesday), harvesting of the pits and watering the plants, trees on the roads in the village is the objective. The harvesting pits to store the water and to increase the ground water table. But the harvesting pits were not maintained properly and there are few harvesting pits in the village.

Digging Harvesting pits in the Village

The volunteers have started the renovating the pits in the village, cleaned the debris and dust in the pits. Harvesting pits were dug in the places where the water gets stored when the rain water is collected. The event has been a success and these pits will be helpful in the rainy season where the water gets collected and helps increase the ground water in the village.
