Introduction about the Technical club

KITS Technical club has inaugurated in the academic year 2020-21. The aim of the “Technical Club” is involving all the Engineering disciplines to create a common platform. Especially, this club supports Multidisciplinary environment. This club motivates the students to do a project /mini project with multidisciplinary manner and motivate the students to attend all technical events which are organizing by other colleges. This club organizes technical events which are helpful for the entire engineering fraternity such as SUMSHODHINI, Seminars or workshops in common topics, etc. This club organized a technical workshop for the students to develop video pitch for their project video presentation. It provides the career guidance to the first year engineering students to choose proper path for their career through alumni and industrial experts. This club is mainly focusing to improve the student technical skills.

ABOUT KITS, WARANGAL:

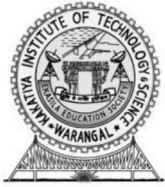

Kakatiya Institute of Technology & Science, popularly known as KITS, was established in the year 1980 under the aegis of Ekasila Education Society (EES) by the elite philanthropists of Warangal City, with the main aim of imparting quality technical education to the students of Telangana region. The institute is permanently affiliated to Kakatiya University, Warangal and recognized by AICTE & UGC New Delhi. The institute is ranked as GOLD category institution by AICTE-CII for four times consecutively.

The institute was conferred with autonomous status w.e.f. academic year 2014-15 for a period of 6 years by UGC, New Delhi and it is also accredited by NAAC with A grade (with a CGPA of 3.21) w.e.f. academic year 2018-19 for a period of 5 years. New curriculum as per AICTE guidelines is into force w.e.f. A.Y. 2018-19. The Institute is ranked 201-250 by NIRF-2020 of MHRD.

The institute has its own campus covering an area of 65 acres of land. It is offering undergraduate courses in nine branches of engineering and seven post graduate programs. Six academic departments are recognized as the research centers by the KU, Warangal to offer doctoral programs. The campus is now Wi-Fi enabled and OFC connected with 500Mbps internet bandwidth.

The institute has more than 300 qualified, committed and dedicated faculty members out of which about 100 are possessing doctoral degree. The institute is also supported by more than 150 technical & supporting dedicated staff.

The present total intake in different under graduate programs (B. Tech) is 1020 per year in the following branches: Civil Engineering (120), Mechanical Engineering (120), Electrical & Electronics Engineering (120), Computer Science & Engineering (180), Computer Science & Engineering (Networks) - (60), Computer Science & Engineering (AI&ML) (60), Computer Science & Engineering (IoT) - (60), Electronics & Communication Engineering (180), Electronics Communication & Instrumentation Engineering (ECI) - (60), Information Technology (120). All the above programs are accredited by NBA. The institute is also offering Post Graduate Programs (M. Tech) in Structural & Construction Engineering, Design Engineering, Digital Communication, Software Engineering, VLSI & Embedded System, Power Electronics, Data Science, Communication systems & signal processing with a total intake of 240 and MBA with an intake of 60.

NATIONAL TECH FEST BEGINS IN WARANGAL

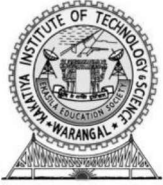

DC CORRESPONDENT
WARANGAL, DEC. 11

The Indian Society for Technical Education (ISTE) KITSW student chapter & Technical Club, Student Activity Center (SAC), Kakatiya Institute of Technology & Science, Warangal (KITSW) jointly organised a national-level students technical symposium sumshodhini'20 on Friday.

Mulugu and Jayashankar Bhupalpally district collector S. Krishna Aditya inaugurated the event and asked the students to implant their skill set from the beginning of their B.Tech course and not in the final stages.

"This year's sumshodhini'20 is themed 'Virtualis', a fest like never before".

According to KITSW Principal Prof. K. Ashoka Reddy 1,278 students registered for workshops on Day-1 and 1,228 participants for events on Day-2. "This symposium makes equitable balance for both academics and extracurricular activities. Our institution is trying hard to bridge the gap between academics and industry needs," he said.

A REPORT On VIDEO PITCH WORKSHOP

Date: 04 - 02 - 2021

Venue: Microsoft Teams

Kakatiya Institute of Technology & Science always comes up with pioneering ideas to make its students future-ready. One among such implementations was the design and implementation of the URR-18 curriculum, the curriculum stands as a base for the students to realize their ideas to reality. The curriculum molds the students for future-ready. B.Tech 3rd Year students will undergo a mandatory course as Mini Project as per URR18.

KITS college with towering vision has added a video pitch with a 10% weightage as a final submission proceeding to the course. Our institute having the vision to make its students technically superior has now extended to all the aspects of courses, this spirit can not only make our student technically superior but also give no chance for competitors in all aspects of innovation. Equipping the students for the future and making them industry ready is all that our institute believes in.

The video pitch is innovative in communicating our idea that virtually realizes the idea of students to the judgment panel. The Video pitch is now being asked to be presented in national level hackathons. The video pitch is also being asked for the young entrepreneurs by the investors. The TECHNICAL CLUB (TC) and PHOTOGRAPHY AND MEDIA CLUB (PMC) taken the initiative in this workshop to resolve all the queries, provide some guidelines in making video and lead the students in successful and efficient completion the course - Mini Project

The workshop was organized on Feb 4, 2021, the workshop was organized through Microsoft teams and was intended specially for B. Tech 3rd Year students. It was conducted in two sessions as follows:

Stream – 1 (ME, CSE & IT)

Micro Soft Teams from 10.00am onwards

Live stream link was provided.

Stream – 2 (CE, EIE, ECE & EEE)

Micro Soft Teams - from 02.00pm onwards

Live stream link was provided.

The newly formed TECHNICAL CLUB (TC) and PHOTOGRAPHY AND MEDIA CLUB has not only taken this workshop to satisfy the institute curriculum but to uplift the student's innovativeness and uplift the aspirations of KITSW future entrepreneurs.

The organizers hope the students will make efficient use of it and draft the video pitches that showcase their high potentials for uniqueness. The TECHNICAL CLUB and

PHOTOGRAPHY AND MEDIA CLUB hope that the students have received a better idea about making a video pitch, in turn, the organizers expect our students to make some highly productive video pitches that truly remove the idea of the MINI PROJECT be socially distanced from reality, the Mini Project coordinators will surely get impressed and will not feel any project diversion space by watching the video pitches, made by following the guidelines and procedures explained in the workshop and will submit some valuable video pitches that can surely motivate other students and faculty.

Nevertheless, the workshop has covered all the aspects and in near future, we expect the same support for the initiatives by the TECHNICAL CLUB and PHOTOGRAPHY AND MEDIA CLUB. At the end of the workshop, the organizers have also shared a google meet link to students who attended the workshop to get their queries resolved. The workshop was a huge success with huge audience whose count goes up to 491.

‘The main objective of this workshop is to inculcate I square (Innovation, Incubation Research Entrepreneurship-IIRE) culture among the student community.’

By TelanganaToday | Published: 5th Feb 2021 1:02 am

Warangal Urban: The Photography and Media Club (PMC) and Technical Club (TC) under Student Activity Center (SAC), Kakatiya Institute of Technology and Science Warangal (KITSW) jointly organised a “Video Pitch Workshop” virtually for B.Tech third-year students on Thursday.

In a press note, Dean, Student Affairs Prof G Raghotham Reddy said this was the first batch using this opportunity for learning advanced versions of software to prepare mini-project videos. “It gives a lot of pleasure, not pressure or stress,” he added. The event was inaugurated by KITSW Principal Prof K Ashoka Reddy.

Addressing the students, Ashoka Reddy said that the innovators were not born, but they were made by hard-work and creative ideas. “The main objective of this workshop is to inculcate I square (Innovation, Incubation Research Entrepreneurship-IIRE) culture among the student community. I square RE start-ups are concerned for nice products. It is a workshop on making a video pitch for Mini projects for all the sixth-semester students,” he added. Associate Dean, Student Affairs, M Narsimha Rao, Faculty incharge PMC & Associate Professor of Chemistry, Dr D Prabhakara Chary and Faculty incharge Dr T Senthil Murugan, student coordinators K Sai Yogesh (GS PMC club) and G Sriram (GS, Technical Club), and more than 1,000 participated.

A REPORT ON CAREER GUIDANCE PROGRAM

Date: 27-02-2021, 2:00 PM

Venue: Microsoft Teams

Report:

With First year UG students had been puzzled in choosing a right path after engineering, they were filled with entropy in choosing an idea about the requirements for their dreamt career, want to know about GATE and MS in foreign, want to crack a core job in your department background, the "CAREER GUIDANCE PROGRAM" was organized by the TECHNICAL CLUB - KITSW 27 FEB 2021 (SATURDAY) at 2:00 PM IST. The program was solely intended and mandatory for 1st Year UG students. The permission for the same had been granted for the same by the Dean and Associate Dean of student affairs.

The event was attended by the Alumni of our institute and they made some valuable guidelines to our students.

G. VYDHIK- class of 2017 (EIE).

He was the General Secretary of LITERARY CLUB in 2017. He secured an All India Rank of 72 in gate 2017. Now he is working as a senior officer in Indian Oil Corporation Limited (IOCL).

KARTHIK NAGANATHAN-class of 2020 (ME).

He presented a research paper at NASA's TFAWS 2020 on "Thrust performance evaluation of Chemical Rocket Engine by Thermal and Fluid Dynamic Analysis for Exhaust gas flow subjected to cooling".

He got admission into

1. Arizona State University, Tempe campus, USA.
2. University at Buffalo (SUNY BUFFALO), main campus, USA.

The TC had scheduled the sessions in two streams

Session I-Gate and MS Guidance: 2:00 PM to 3:30 PM

A REPORT ON SEMINAR ON RESEARCH PAPER WRITING

Platform: Microsoft Teams

Report on "Seminar on Research paper Writing" organized by

Technical Club-KITS Warangal

Technical Club-KITSW (TC) has organized a seminar on "RESEARCH PAPER WRITING", TC feels proud to share that speaker of the seminar was our alumni Mr. Karthik N (MED 2016-20), who previously presented a paper at NASA's TFAWS 2020. The seminar answered all the queries on why's and how's writing a research paper and publishing. Research papers have a good weightage in resumes and MS applications abroad. So, we invite all the students to attend the seminar and involve themselves in publishing research paper.

Date: 24/04/2021

Timings: from 2: 00 pm IST

Through Microsoft Teams:

https://teams.microsoft.com/l/meetupjoin/19%3ameeting_NzU2ZGE5NjMtZDk5My00ZmNiLTlmNDItOWNkOWM0MTdmZmRk%40thread.v2/0?context=%7b%22Tid%22%3a%228b044e35-2c51-41ba93f3d1a107ca7c50%22%2c%22Oid%22%3a%22c6338de9-3d2e-4c9d-8578-013e9a54591b%22%2c%22IsBroadcastMeeting%22%3atru%7d&btype=a&role=a

The event has attracted a very huge response of 189 Student and Faculty as attendees. The event has also attracted audience of all semesters. The seminar is a grand success.

The organizing committee for the seminar is as followed;
