Platform: Webex

Report on Webinar - “CREATING A POWERFUL AND ATTRACTIVE PROFESSIONAL PROFILE” organized by Technical Club - KITS Warangal

Technical Club – KITS Warangal organized a **Webinar on "Creating a Powerful and Attractive Professional Profile "**. The event was organized virtually with our guest speaker – UDAY DAMERLA, AWS ML Scholar also an Upcoming Scholar SAP and with the support extended from Dr. V. Shankar sir (Dean Student Affairs), Sri. M. Narasimha Rao sir (Associate Dean Student Affairs), Dr. B. Vijay Kumar Sir (Technical Club Faculty in-charge). This webinar was planned to enhance the 2nd ,3rd & 4th year students to know about the building a powerful profile and its impact career opportunities. Students were keen to know how to create a powerful profile. The event started on 11/10/2023 at 6:30 pm. The webinar successfully completed on a good note from students by 7:45 pm.

The webinar has attracted a good response of 450 participants. Students from various colleges joined the webinar. The interaction with the speaker and gaining knowledge on the topic showed the interest of the participants. Students are now eagerly waiting for more career guidance programs in the near future.

The organizing committee for the event is as followed;

Sl no	Name of the person	Position in Club
1	B. Badrinarayan	General Secretary of Technical Club
2	Madhukar Pooja	Joint Secretary of Technical Club
3	Shivani. D	Joint Secretary of Technical Club
4	Krishna Mohan Gandikota	Executive Member of Technical Club

Optimizing Your Profile

Profile Picture

Headline
Use a catchy and descriptive headline that showcases your skills and experience.

Summary
Craft a compelling summary that highlights your achievements, skills, and career goals.

Experience
List your experience in reverse chronological order, starting with your most recent job. Use bullet points to highlight your accomplishments and responsibilities.

Skills and Endorsements
List your relevant skills and seek endorsements from your connections.

Recommendations
Ask for recommendations from former colleagues and supervisors to showcase your strengths and abilities.

PERSONAL PROJECTS

Lang2Code (01/2023 - 04/2023)
Lang2Code is an intelligent system that generates Python code snippets based on natural language queries. It aims to enhance productivity in data science projects by enabling users to concentrate on task logic rather than syntax. This employs code generation models and a code search engine that use machine learning and NLP algorithms to produce accurate and relevant code snippets.

DIGI YARD (04/2022 - 04/2022)
DIGI YARD is a digital market yard platform that aims to connect farmers with millers, traders, and institutional buyers of farm products. Farmers can use the platform to post information about their produce as an advertisement, allowing buyers to browse through the available products and sort them according to their needs.

Tech- Traditional Cremation (03/2022 - 02/2022)
This smart cremation platform helps in controlling the carbon emission from the cremation of a human body. It also decreases the consumption of wood by half. By implementing the system, the annual emission of CO₂ by cremation in India can be drastically reduced by a minimum of 75% whereas 8 million tons/year CO₂ is produced from cremation (as per the 2020 report).

A Report on "IDEATHON"

Venue: New Seminar Hall, KITSW
Date: 06-01-2024

Report on “IDEATHON” organized by Technical Club

Technical Club – KITS Warangal organized “IDEATHON”. The event was organized in offline mode with the support extended from our Principal Prof. K. Ashoka Reddy, Dr. V. Shankar sir (Dean Student Affairs), Sri. M. Narasimha Rao sir (Associate Dean Student Affairs) & Dr. B Vijay Kumar sir (Technical Club Faculty in-charge). This ideathon was planned to provide a common platform for all the students to explore their best innovative ideas. Among those the best ideas would be implemented as **multi-disciplinary projects** under Technical Club and the students would present their idea which work in real-time scenarios. Students were enthusiastic and keen to share their idea and were seeking to do number of projects. The event was aimed to grasp the magic of innovations at its best. The event started on 06/01/2024 (Saturday) at 09:00 am. Finally, this one-day Ideathon successfully completed on a good note from students by 5:00 pm.

The event has attracted a great response with students despite having their externals. Students from all the branches have registered and participated in this event. Around 150 participants registered for the event out of which the best 100 were shortlisted. A whopping Cash-prize with merit certificates were given to the Top 3 Teams and all the participants were given participation certificate to encourage them. Students are now eagerly waiting for to implement their ideas and present them in Sumshodhini’22.

Technical club is always ahead in learning new and emerging technologies. We designed the first ever website for an event, where students would interact with us through the site. It contains all the event description, aim & instructions along with sample PPT so that students would know the core of the event.

This year head, centre for i2re arranged Prof L. Anjaneyulu, dept of ECE, NITW as jury member to evaluate the ideas presented by students. Our industrial / academic experts also give their valuable suggestions for the betterment of each idea or project and guide them on how they can improve their project/idea so that it is ready to face the competition in the market.

The organizing committee for the event is as followed:

Sl. no	Name of the person	Position in Club
1.	B. Badrinarayan	General Secretary of Technical Club
2.	Madhukar Pooja	Joint Secretary of Technical Club
3.	Shivani	Joint Secretary of Technical Club

Innovation event ‘Ideathon’ inaugurated at KITS Warangal

DECCAN NEWS SERVICE
WARANGAL

The Technical Club under Student Activity Center (SAC) of the Kakatiya Institute of Technology & Science, Warangal (KITSW) in association with Institutions Innovation Council, Ministry of HRD jointly organised a “Ideathon” for BTech students on Saturday.

Department of ECE of NIT Warangal Professor Anjaneyulu, who inaugurated the

event, said such a technical platform could be used where the students were provided free aid to pitch their innovative ideas related to their technical domain and capable of tackling the most complex problems of the society.

KITSW Principal K Ashoka Reddy informed that the main objective of the event was to inculcate and cultivate the technical skill for innovation. Students participated in a large number in the event and presented their ideas to the jury.
