Warangal Urban: Popular folk lyricist and singer Goret Venkanna urged students to preserve our culture and heritage for the benefit of the future generations.

Inaugurating the two-day national-level cultural carnival "Sanskriti '20" at Kakatiya Institute of Technology and Science (KITS) here on Friday, Venkanna asked the students to take up research on topics that would be useful for farmers and labourers.

"Students needs to emulate great leaders and philosophers such as Gandhi, Buddha, Ramana Maharshi, Rabindranath Tagore and Vivekananda," he said.

The Photography & Media Club (PMC) students painted graffiti for promoting the cultural carnival and was inaugurated by PMC general secretary Ch Suhuruth Reddy.

KITSW principal Prof K Ashoka Reddy said Sanskriti was one of the student-friendly cultural fests in the State.

"It is an important event to promote our culture and heritage, and to take the pressure off students. All the departments and committees of SAC are actively involved in the organising of this event," he added.
