ABOUT KITS, WARANGAL:

Kakatiya Institute of Technology & Science, popularly known as KITS, was established in the year 1980 under the aegis of Ekasila Education Society (EES) by the elite philanthropists of Warangal City, with the main aim of imparting quality technical education to the students of Telangana region. The institute is permanently affiliated to Kakatiya University, Warangal and recognized by AICTE &UGC New Delhi. The institute was conferred with autonomous status w.e.f. academic year 2014-15 for a period of 6 years by UGC, New Delhi. New curriculum as per AICTE guidelines is into force w.e.f. A.Y. 2018-19.

The institute has its own campus covering an area of 65 acres of land. It is offering undergraduate courses in seven branches of engineering and seven post graduate programs. Six academic departments are recognized as the research centers by the KU, Warangal to offer doctoral programs. The campus is now Wi-Fi enabled and OFC connected with 155 Mbps internet bandwidth.

The institute has more than 230 qualified, committed and dedicated faculty members out of which about 70 are possessing doctorial degree. The institute is also supported by more than 150 technical & supporting dedicated staff.

The present total intake in different under graduate programs (B. Tech) is 900 per year in the following branches: Civil Engineering (120), Mechanical Engineering (180), Electronics & Instrumentation Engineering (60), Electrical & Electronics Engineering (120), Computer Science & Engineering (180), Electronics& Communication Engineering (180), Information Technology (60). All the above programs are accredited by NBA. The institute is also offering Post Graduate Programs (M. Tech) in Structural & Construction Engineering, Design Engineering, Digital Communication, Software Engineering, VLSI& Embedded System , Power Electronics with a total intake of 145 and MBA with an intake of 60.

NIRF-17 (MHRD) ranked KITS, Warangal among top Engineering Institutions in India and DQ-CMR rated as 3rd best private engineering college in Telangana state, 59th among all private engineering colleges in the country.

LOCATION:

The institute is located on New Delhi-Chennai broad gauge railway line and is well connected to other cities by rail and road.

Warangal city is just 150 kms from Hyderabad, capital city of Telangana. The institute is located 12 kms and 14 kms from Kazipet and Warangal railway stations respectively, on Warangal-Karimnagar state highway.

ABOUT ISTE KITS CHAPTER, WARANGAL:

The Indian Society for Technical Education (ISTE) is a national, professional, non-profit making organization in our country which cooperates with central and state governments industry and approved institutions, professional bodies, AICTE, MHRD, DST and Individuals in the cause of technical education and research. The main objective of ISTE is to assist and contribute in the production and development of top quality professional engineers and technicians needed by the industry and other organizations.

ISTE KITS Chapter was started in 1996. Most of the students are the members of the ISTE KITS Student Chapter and more than 120 faculty members have the life membership in the faculty chapter. The college is also an institutional member in ISTE.

ISTE KITS Student Chapter has the track record of successfully conducting periodically the national level technical symposium called "SUMSHODHINI" since 2003. Apart from this several workshops, guest lectures and other events were conducted under this chapter. This chapter has been declared as best ISTE student chapter of 2017 in Telangana State.

Description of events:

Answer Hunt (Business quiz)

Business quiz is the game of question and answer. This game is to judge the knowledge of the participants towards the industries, companies and product. And also to judge the awareness of participants through questions related to knowledge of business, insight of business and business related areas.

Business Blueprint (Business plan)

In this game each participant should present their business plan including all aspects like HR,MARKETING & FINANCE

Marketing warfare(marketing)

The aim of this game is to make participants present the classical marketing theory which emphasises on 4Ps marketing strategies namely (1) product (2) price (3) place and (4) promotion. Participants will be given a concept on the spot which they have to visualise and project the 4P's
